

BAND App (Adults Only):

Check-In - Adult

- Write down the time of arrival of each student on the provided roster(s)

Supervision - Adult

- Monitor students in your assigned area(s)
- Ensure that students are comporting themselves appropriately
- Discourage loitering– students should be in and out of “green rooms” quickly and quietly
- Remind students to walk and remain quiet at all times

Stage Manager - Adult

- Use the seating chart provided to direct stage crew set up of chairs and stands prior to each performance
- Assist each group as they take the stage
- Move the piano when needed to a location requested by the director
- Move the podium on or off the stage as requested by the director

Stage Crew - Student

- Use the seating chart provided to set up chairs and stands prior to each performance
- Assist each group as they take the stage
- Move the piano when needed to a location requested by the director
- Move the podium on or off the stage as requested by the director

Usher - Student

- Distribute programs to concert attendees and audience members as they enter the foyer
- Close performance area doors during the time of performance
- Guard the doors – do NOT permit people to enter or leave during a performance
- Help maintain silence in the foyer and surrounding area
- Do not permit food or beverages inside the foyer or auditorium

Announcer - Student

- Wait for each director’s cue that their ensemble is ready before making announcements
- Read each script into the microphone with accurate pronunciation
- Speak clearly and with confidence
- Double check any questionable pronunciations with your supervisor or director ahead of time
